East Lothian Yacht Club Open Regatta 3rd - 4th June 2017

ELYC is holding its annual open regatta in early June. The Regatta will include Streakers, Lasers, RS 200s, RS 400's, Phantoms, Aeros, 2000s, and all the usual suspects. This is a popular event attracting up to 150 boats, so early booking is essential.

The large sailing area is off the attractive holiday resort of North Berwick. As usual there will be separate courses for dinghies, skiffs and asymetrics. Dinghies will race to the west of Craigleith and skiffs and asymetrics to the east, towards the Bass Rock. The races will include the around the Bass Rock Race for skiffs and the Alba Cup for 2000s. We anticipate a good showing from the 2000 fleet this year as a prelude to ELYC hosting their UK Nationals in August 2017.

Registration is £25 for single-handers and £30 for double-handers. These fees apply to online bookings made within 5 days of the event.

Racing over two days starts on Saturday 3rd at 12:55 with a briefing at 12:00 hours at the clubhouse. Racing on the Sunday will start at 10:55. All classes are welcome. The event includes travellers for RS 200, 400 and Aero, Streaker and the Laser Masters and Laser and Radial Grandprix Series.

Registration will be available online at ELYC's website at:

<http://www.elyc.org.uk/> from 7th April 2017
