7 RACING AREAS

8 THE COURSES

8.1 The diagram in Addendum A show the courses to be sailed for the schedule of racing.

8.2 The approximate magnetic bearing to the first mark may be displayed on the committee boat.

9 MARKS

9.1 Course marks shall be as detailed in the course chart in Addendum A and generally be yellow or orange cylindrical marks or red or yellow spherical buoys.

10 THE START

10.1 The line is defined as the line between the mast displaying an orange flag on the committee boat and the pin end buoy.

10.2 An inner limit mark may be used to protect the committee boat. If used, no boats shall pass between the limit mark and the committee boat.

10.3 The race committee may choose to use a single starting sequence for a class or a rolling starting sequence to start a race as follows. This changes RRS 26.

Time	Signal	Signals Displayed/Removed
-4 minutes	Warning Signal	1st Class flag displayed
-2 minutes	Preparatory Signal	Preparatory signal displayed and next class flag displayed if rolling sequence
0 minutes	1st Class Start Signal	1st Class flag and preparatory removed if not a rolling sequence
+2 minutes	2nd Class Start Signal	Class flag removed
<i>Rolling sequence repeats with start signals at 2 minute intervals</i>		

10.4 Prior to commencing the starting sequence the race committee may draw attention to the upcoming sequence by displaying an orange flag and making multiple sound signals.

10.5 Boats whose warning signal has not been made shall avoid the starting area during the starting sequence.

10.6 A boat that does not start within 10 minutes of her warning signal shall be scored Did Not Start without a hearing. This changes RRS A4 and A5.

11 THE FINISH

11.1 The finish line will be between a mast displaying a blue flag on the committee boat and the course side of the finishing mark. The committee boat may be substituted by a RIB for finishing purposes.

11.2 An inner limit mark may be used to protect the finish boat. If used, no boats shall pass between the limit mark and the finish boat.

11.3 The race committee will signal the intention to finish the race by displaying flag S with two sounds on the committee boat. The race committee may display flag S over class flags indicating that those classes only are to finish.

11.4 The race committee may move the committee boat at the finish from its position at the start. Alternately, classes may be finished by a RIB displaying flag S at any mark on the course.

11.5 To aid the quick turn around of races the race committee reserves the right to finish boats in their observed position on the course. If this is the case a RIB will communicate to the relevant boats.

12 PENALTY SYSTEM

12.1 In the event that a boat breaks rule 31, touching a mark, they shall take their penalty, if applicable, as per their class rules, only if they have their own class start.

13 TIME LIMITS AND TARGETS

13.1 The target time for the first boat finishing in each class will be 40 minutes.

13.2 The race committee may finish boats failing to finish within 30 minutes after the first boat sails the course and finishes by their observed position on the course. This changes RRS 35, A4 and A5. 14

PROTESTS AND REQUESTS FOR REDRESS

14.1 Protest situations, due to the need to observe social distancing, will be settled by verbal arbitration. The beachmaster and competitors involved should be informed within 20 minutes of the last competitor arriving ashore. Socially distanced arbitration discussions will be arranged by the arbitrator and decisions communicated verbally and in writing on the notice board. Decisions not accepted by competitors can be taken to RYA appeal.
